BERITA

Peranan media diperlukan untuk tangkis berita palsu disebar 'wartawan segera'

Media berperanan menyampaikan laporan benar dan tepat berdasarkan etika kewartawanan, bagi menangkis lambakan berita palsu di luar sana

"We hope we continue to play a role in empowering journalists with the knowledge of global best practices in the field of journalism. By doing so, we can all contribute to maintaining consistently high content standards, fostering the well-being of both the industry and the community at large."

Mediha Mahmood, CEO of the Communications and Multimedia Content Forum of Malaysia presenting the training module titled 'Cracking the Code: A Practical Guide to Self-Regulation of Content' at the second NPC Professional Development

Media professionals should learn to adapt and grow: NPC deputy president

As the media sector faces a variety of challenges, its members must learn to adapt and grow. - File pic

By **New Straits Times**
January 9, 2024 @ 5:14pm

KUALA LUMPUR: As the media sector faces a variety of challenges, its members must learn to adapt and grow.

National Press Club of Malaysia (NPC) deputy president Haresh Deol reminded a group of young journalists that it is never too late for those in the industry to continue

Journos must pivot, evolve as National Press Club Professional Development Series starts today
